November 27, 2013

eFT for Linux (eFT803IP) Release 5.4 is a new product and is available for download by contacting [support@netex.com](mailto:support@netex.com).

This release supports installation and operation on Intel x86 platforms that are running the support releases of Linux OS distributions. Refer to the support page on [www.netex.com](http://www.netex.com) to view supported OS distributions

#### FEATURES/ENHANCEMENTS ADDED WITH eFT803IP RELEASE 5.4

- This is a new product.

Refer to the eFT803IP Memo-to-Users for more information on features and fixes.

#### OPERATIONAL/PROCEDURAL IMPACT

eFT803IP Release 5.4 requires a software key to make it operational. The software key must be obtained from Netex Software. Refer to the Prerequisites listed in the eFT803IP Release 5.4 Memo-to-Users for instructions on obtaining a software key.

TCP/IP is the only transport protocol that is supported. If you require support for NetEx/IP, please notify [support@netex.com](mailto:support@netex.com).

## DOCUMENTATION UPDATES

Updated product documentation:

- \* eFT803IP eFT for Intel x86/Linux Systems Release 5.4 Memo-to-Users
- \* eFTxx3 eFT for Unix Systems Release 5.4 Software Reference Manual

Check for new versions of documentation at [www.netex.com](http://www.netex.com) by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Docs' in the entry for this product release.

## RECENT UPDATES

Check for product updates at [www.netex.com](http://www.netex.com) by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Updates' in the entry for this product release. If any updates are listed, follow the installation recommendations.

## DOWNLOAD PROCEDURE

Download instructions can be obtained by contacting [support@netex.com](mailto:support@netex.com). Be sure to identify your company name in the request, the product being requested (eFT803IP), and contact information, including a name and telephone number.

## END OF SUPPORT

Since this is a new product, there is no current end of support.
