June 20, 2018

PFX Receiver for z/OS (H212R) Release 1.4 is a maintenance release update on Release 1.3-2009 and is available for download. This release is available as a no-charge update to current H212R customers of record.

At the time of this announcement, H212R Release 1.4 supports installation and operation on S/390 systems that are running any supported level of z/OS up to z/OS 2.3. Check for support of future operating system levels at www.netex.com by clicking on the 'Support' tab, then selecting 'IBM S390/zSeries' under 'Products', then viewing the 'IBM S390/zSeries' product section.

FEATURES/ENHANCEMENTS ADDED WITH H212R RELEASE 1.4

The following updates have been added with H212R Release 1.4:

- Installation is no longer SMP
- Now displays version when product is started
- Applied missing service levels

OPERATIONAL/PROCEDURAL IMPACT

There are no operational or procedural differences between this version of PFX-R and previous versions. This version will interoperate with all versions of PFX-T.

DOCUMENTATION UPDATES

Updated H212R Release 1.4 documents:
   * H212R Print File Transfer (PFX-R) for IBM z/OS Operating Systems
     Memo-to-Users (1.4)
   * H212R Print File Transfer (PFX-R) for IBM z/OS Operating Systems
     Software Reference Manual (man-ref-h212r-14).

Check for new versions of documentation at www.netex.com by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Docs' in the entry for this product release.

RECENT UPDATES

Check for product updates at www.netex.com by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Updates' in the entry for this product release. If any updates are listed, follow the installation recommendations.

DOWNLOAD PROCEDURE

Customers of record may download H212R Release 1.4 from Network Executive Software's download server. Download instructions can be obtained by contacting support@netex.com. Be sure to identify your company name in the request, the product being requested (H212R), and contact information, including a name and telephone number.

END OF SUPPORT

Support for all prior versions of H212R will end on December 20, 2018. This is consistent with our support policy of ending support for prior releases six months after either a new release or replacement product becomes generally available.
