July 29, 2019

Maintenance Release 4.1.2 for H893V USER-Access for Stratus OpenVOS Systems is now generally available, and is available for download. New software license is required when migrating from the Stratus Continuum platform.

At the time of this announcement, this product support installation and operation on Stratus V Series platforms that are running OpenVOS Release 18.1. Check for support of future operating system levels at www.netex.com by clicking on the 'Support' tab, then selecting Stratus under 'Products', then viewing the 'OpenVOS' product section.

FEATURES/ENHANCEMENTS ADDED WITH H893V RELEASE 4.1.2

Support for new password encryption algorithms provided in OpenVOS Release 18.0.

OPERATIONAL/PROCEDURAL IMPACT

Operation of the H89x products with NetEx/IP for z/OS (H210IPZ Release 7.1+) uses a standard IP network between the OpenVOS and z/OS systems. The H210IPZ key must be enabled for TNP support.

DOCUMENTATION UPDATES-none

Current H893V Release 4.1 documents:

H893V USER-Access for Stratus OpenVOS Systems Memo-to-Users

H893V USER-Access for Stratus OpenVOS Software Reference Manual

Check for new versions of documentation at www.netex.com by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Docs' in the entry for this product release.

RECENT UPDATES

Check for product updates at www.netex.com by clicking on the 'Support' tab, then selecting your hardware platform under 'Products', then clicking on 'Updates' in the entry for this product release. If any updates are listed, follow the installation recommendations.

DOWNLOAD PROCEDURE

Customers of record may download the Stratus NetEx/IP products from Network Executive Software. Download instructions can be obtained by contacting support@netex.com. Be sure to identify your company name in the request, the product being requested (H893V), and contact information, including a name and telephone number.

END OF SUPPORT

Consistent with our support policy, End-of-Support for prior versions ends February 1, 2020.
